### Sri Aurobindo

*Renowned Indian philosopher Sri Aurobindo advocated for Integral Education, emphasizing the importance of nurturing all aspects of a child's being. He believed that while the current education system focuses primarily on intellectual development, it neglects other crucial dimensions of life.*

At MODULUS Integral School, we are committed to embracing Sri Aurobindo's vision by providing holistic education that encompasses Physical, Intellectual, Emotional, and Spiritual aspects of life. We recognize that true education goes beyond academics and aims to develop well-rounded individuals who are equipped to navigate life's challenges with resilience and wisdom.

In addition to academic excellence, we prioritize the development of essential skills across four dimensions: Physical Quotient (PQ), Intellectual Quotient (IQ), Emotional Quotient (EQ), and Spiritual Quotient (SQ). We believe that nurturing these aspects is fundamental to fostering the holistic growth of children, empowering them to lead lives that are fulfilling and purposeful.

Embark on a transformative journey with us, where we are dedicated to unlocking the full potential of every child. Our mission is to cultivate compassion, resilience, and social responsibility, empowering each student to thrive as a holistic individual.

## Directors Message

### Swami Vivekananda

*We want that Education by which Character is Formed, Strength of Mind is Increased, Intellect is Expanded and by which One can Stand on One's Own Feet.*

**Mr. Nitin**  
**B.Tech IIT Delhi**  
**Director MODULUS**

In the dynamic and competitive landscape of today's world, we believe that the greatest gift we can offer our children is an education of the highest quality. MODULUS Integral School provides students with a high-quality education encompassing Academic Intellect, Strategic Thinking, Problem Solving, and Leadership Skills. Our approach integrates traditional values with a modern outlook with focus on critical thinking, idea exploration, and encouraging questions enhances their understanding of complex concepts and a passion for continuous learning.

With our team of talented, dedicated, passionate, and caring staff members, we are committed to working with each child to bring out their best, ensuring they acquire a strong foundation for a bright and successful future.

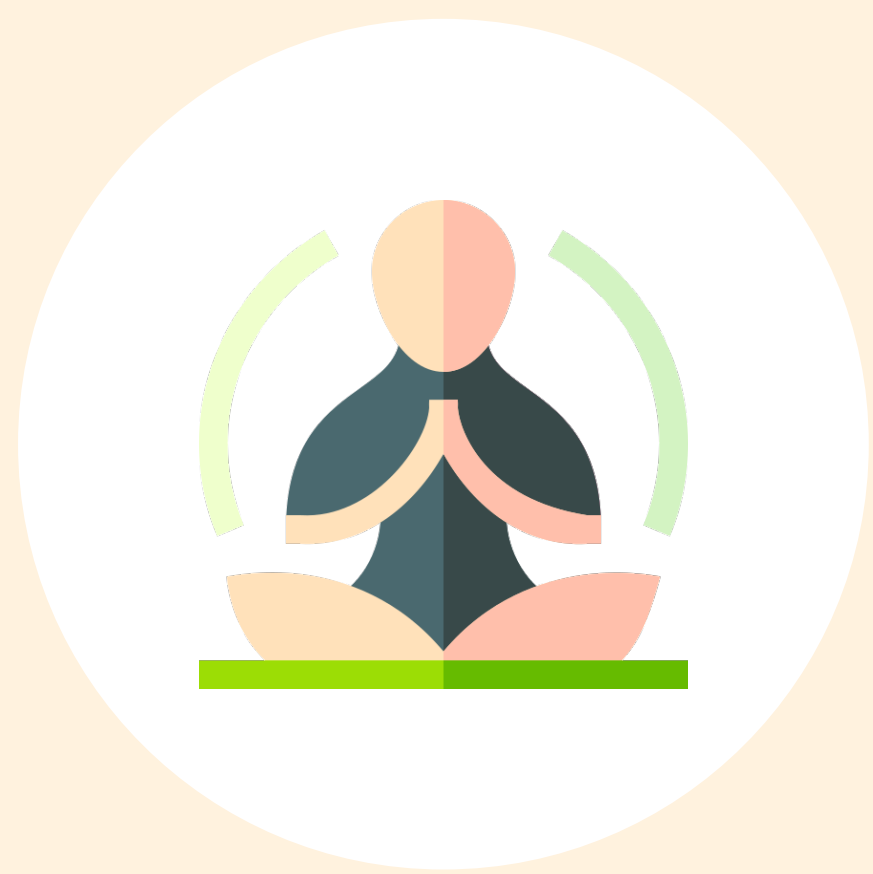

## Curriculum and Pedagogy

At MODULUS Integral School, we take pride in harmonizing our curriculum with the state board syllabus, acknowledging the importance of fostering the Physical Quotient (PQ), Intellectual Quotient (IQ), Emotional Quotient (EQ), and Spiritual Quotient (SQ) throughout each child's educational voyage.

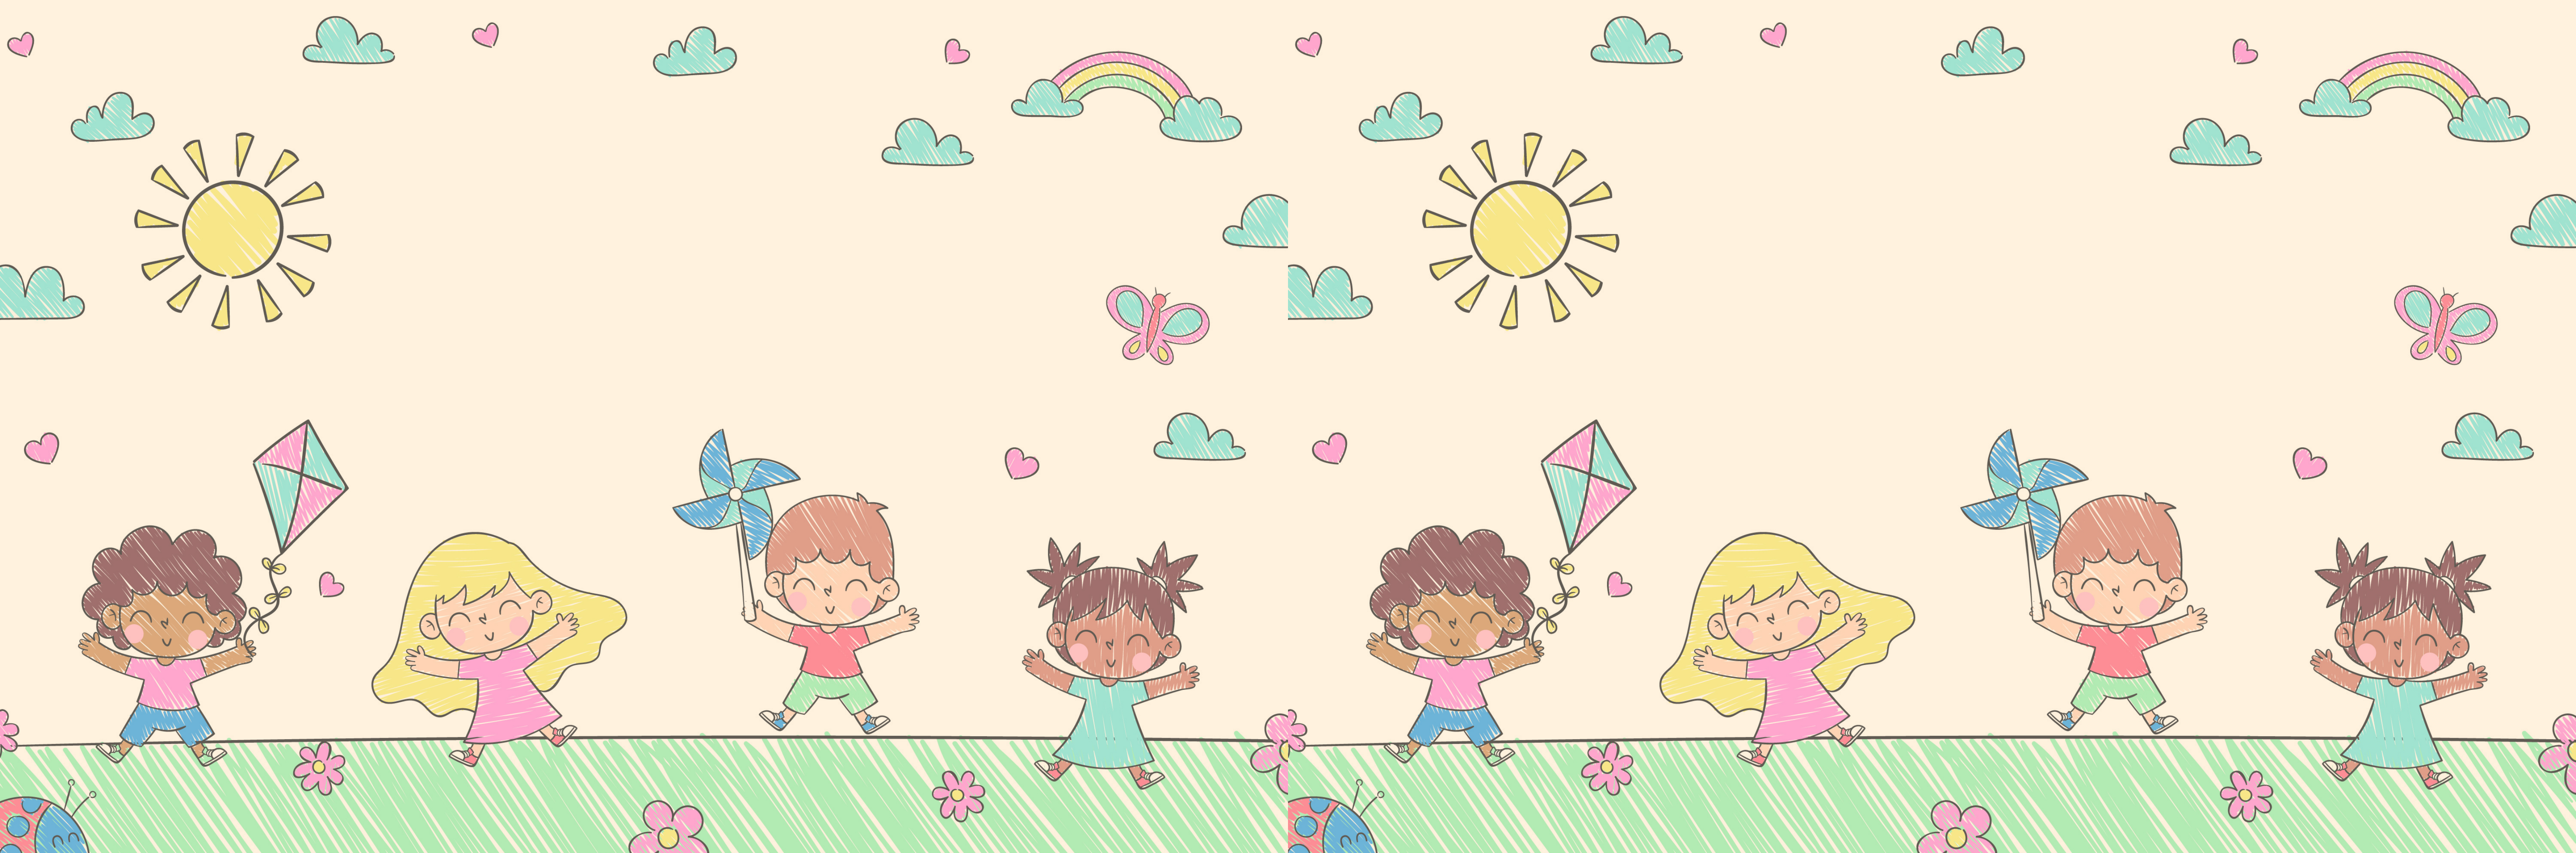

We firmly believe in unlocking the immense potential within every child. Through exceptional teaching, precise guidance, dedicated mentoring, and timely motivation, our aim is to empower students not only to attain their life goals but to transform them into extraordinary human beings.

Alongside the state board curriculum, our students engage in enriching classes like yoga, meditation, music, arts, crafts, songs, dance, as well as sports and games. These diverse activities are meticulously integrated to enhance children's attention span, concentration, confidence, and teamwork skills.

At MODULUS, education is not just about academic excellence; it's about nurturing well-rounded individuals primed to excel in diverse fields such as Engineering, Medicine, Law, Accountancy, Civil Services, and beyond.

## IIT/NEET Foundation and Faculty

At MODULUS Integral School, our IIT Foundation program transcends traditional teaching methods by focusing on more than just the class 11 and 12 syllabi for class 9 and 10 students. The true foundation lies in fostering a deep understanding of concepts, strategic thinking, problem-solving, and practical applications.

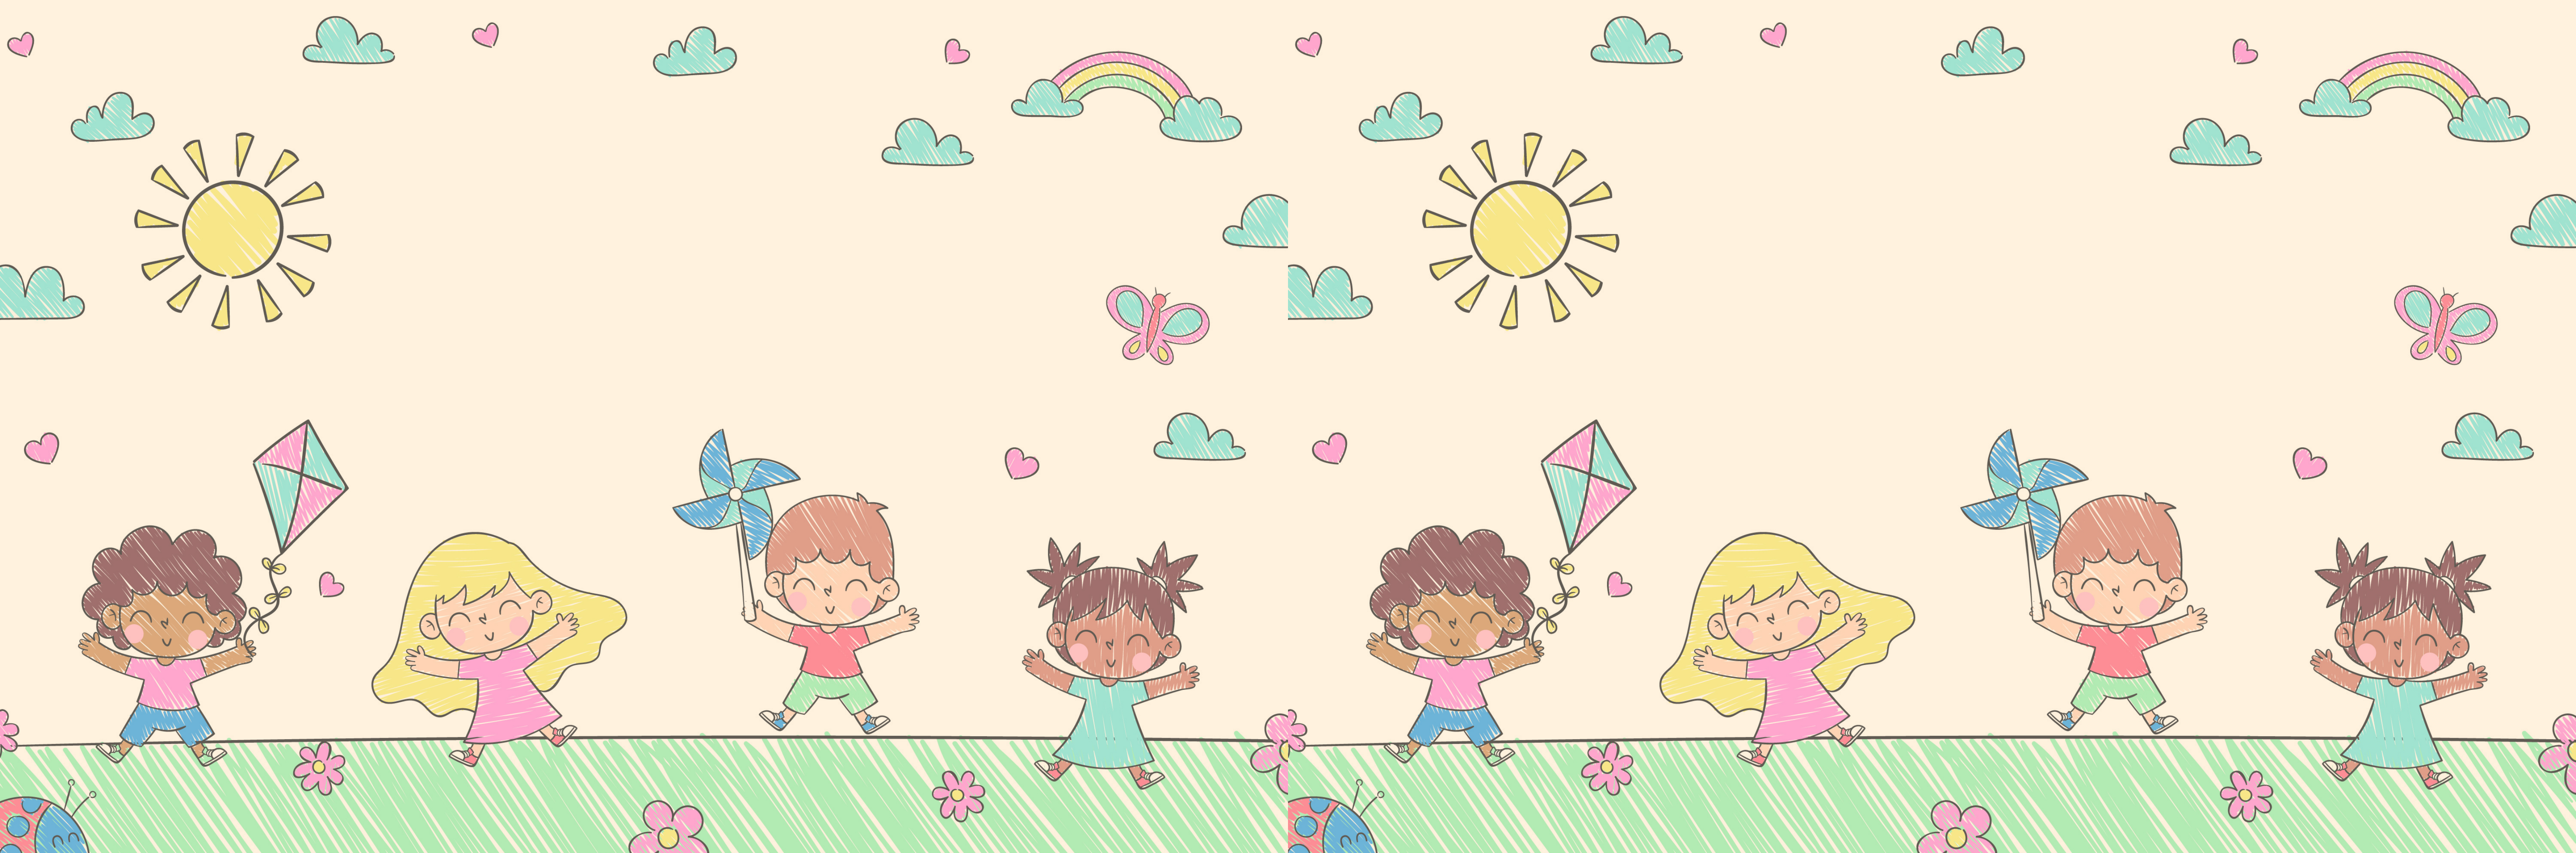

Our curriculum is meticulously designed to maximize these essential skills, preparing students not only for academic success but also for real-world challenges. We believe in laying a robust foundation that goes beyond textbook knowledge, nurturing the skills that are crucial for future success.

At the heart of our IIT Foundation program lies our exceptional faculty—a dedicated team committed to mentoring and guiding students in the right direction. Our educators are meticulously chosen from esteemed institutions, including IITs, NITs, RIEs, and other renowned centers of learning.

Aligned with the vision and mission of MODULUS, our faculty undergo continuous training to remain updated with the latest trends and technologies, ensuring that they offer students the highest quality guidance. They are more than educators; they are architects of future leaders, thinkers and problem solvers.

## Material and Assessment

At MODULUS Integral School, our study materials are meticulously crafted to cover all chapters within the state board syllabus. Designed to delve into concepts in-depth, our materials include a diverse range of subjective and objective questions crucial for success in future competitive examinations.

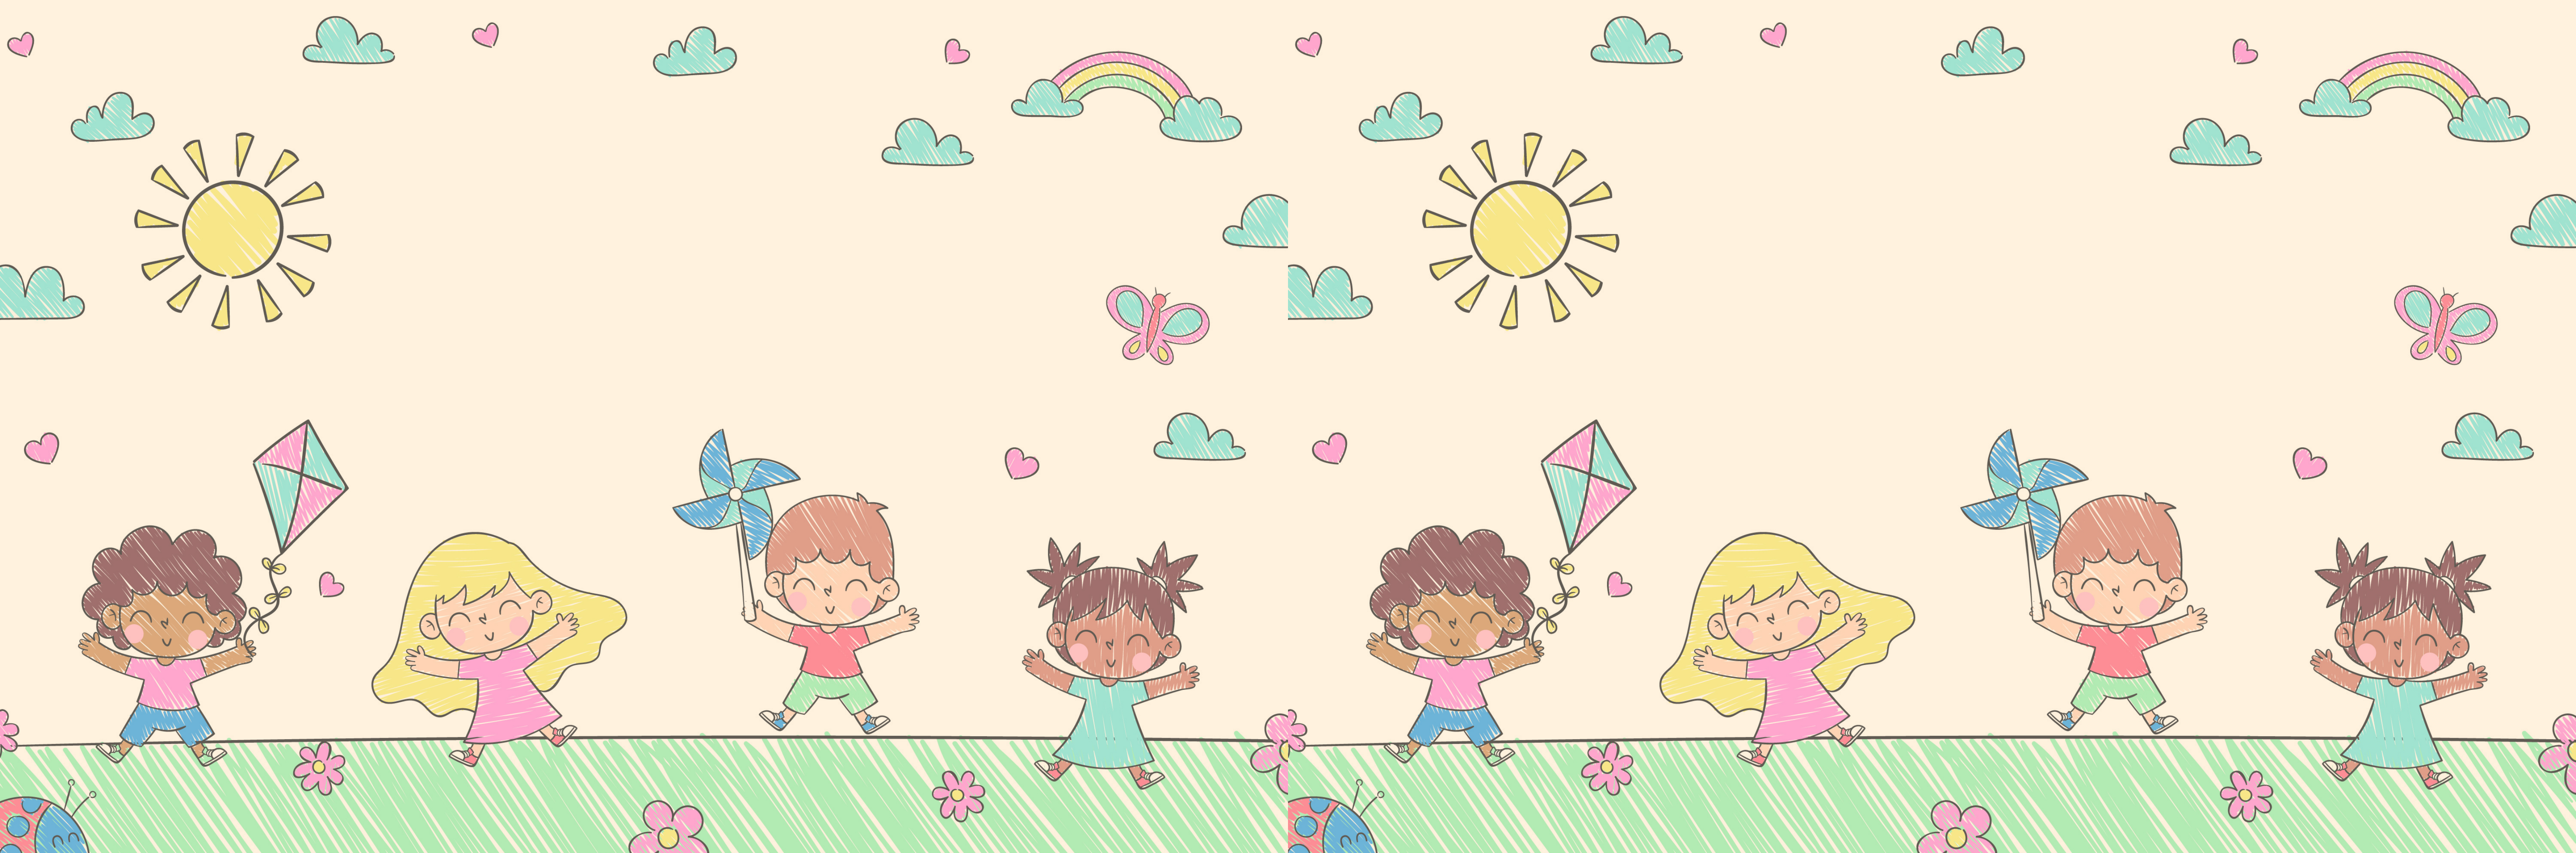

To ensure consistent progress, we conduct weekly assessments using objective pattern exams and subjective evaluations that adhere to state board norms. Acknowledging that each student learns at their own pace, our curriculum incorporates remedial classes and specialized doubt clarification sessions to cater to individual needs.

In addition to our standard curriculum, we are dedicated to offering a comprehensive educational journey. Specialized classes in computer coding, motivation, and communication skills part of our program. These sessions are designed to equip students with essential skills, nurturing their holistic development.

At MODULUS, we transcend academic excellence by preparing students for a multitude of competitive exams, including NSEJS, RMO, Olympiads, and NTSE. Our objective is to empower students with the knowledge, skills, and confidence to excel in both academic and competitive domains.

## Infrastructure and Facilities

A happy childhood is the most valuable gift a parent can offer their child. Understanding that a substantial part of a child's developmental journey occurs within the school environment, we are committed to ensuring that this critical phase is both enriching and memorable.

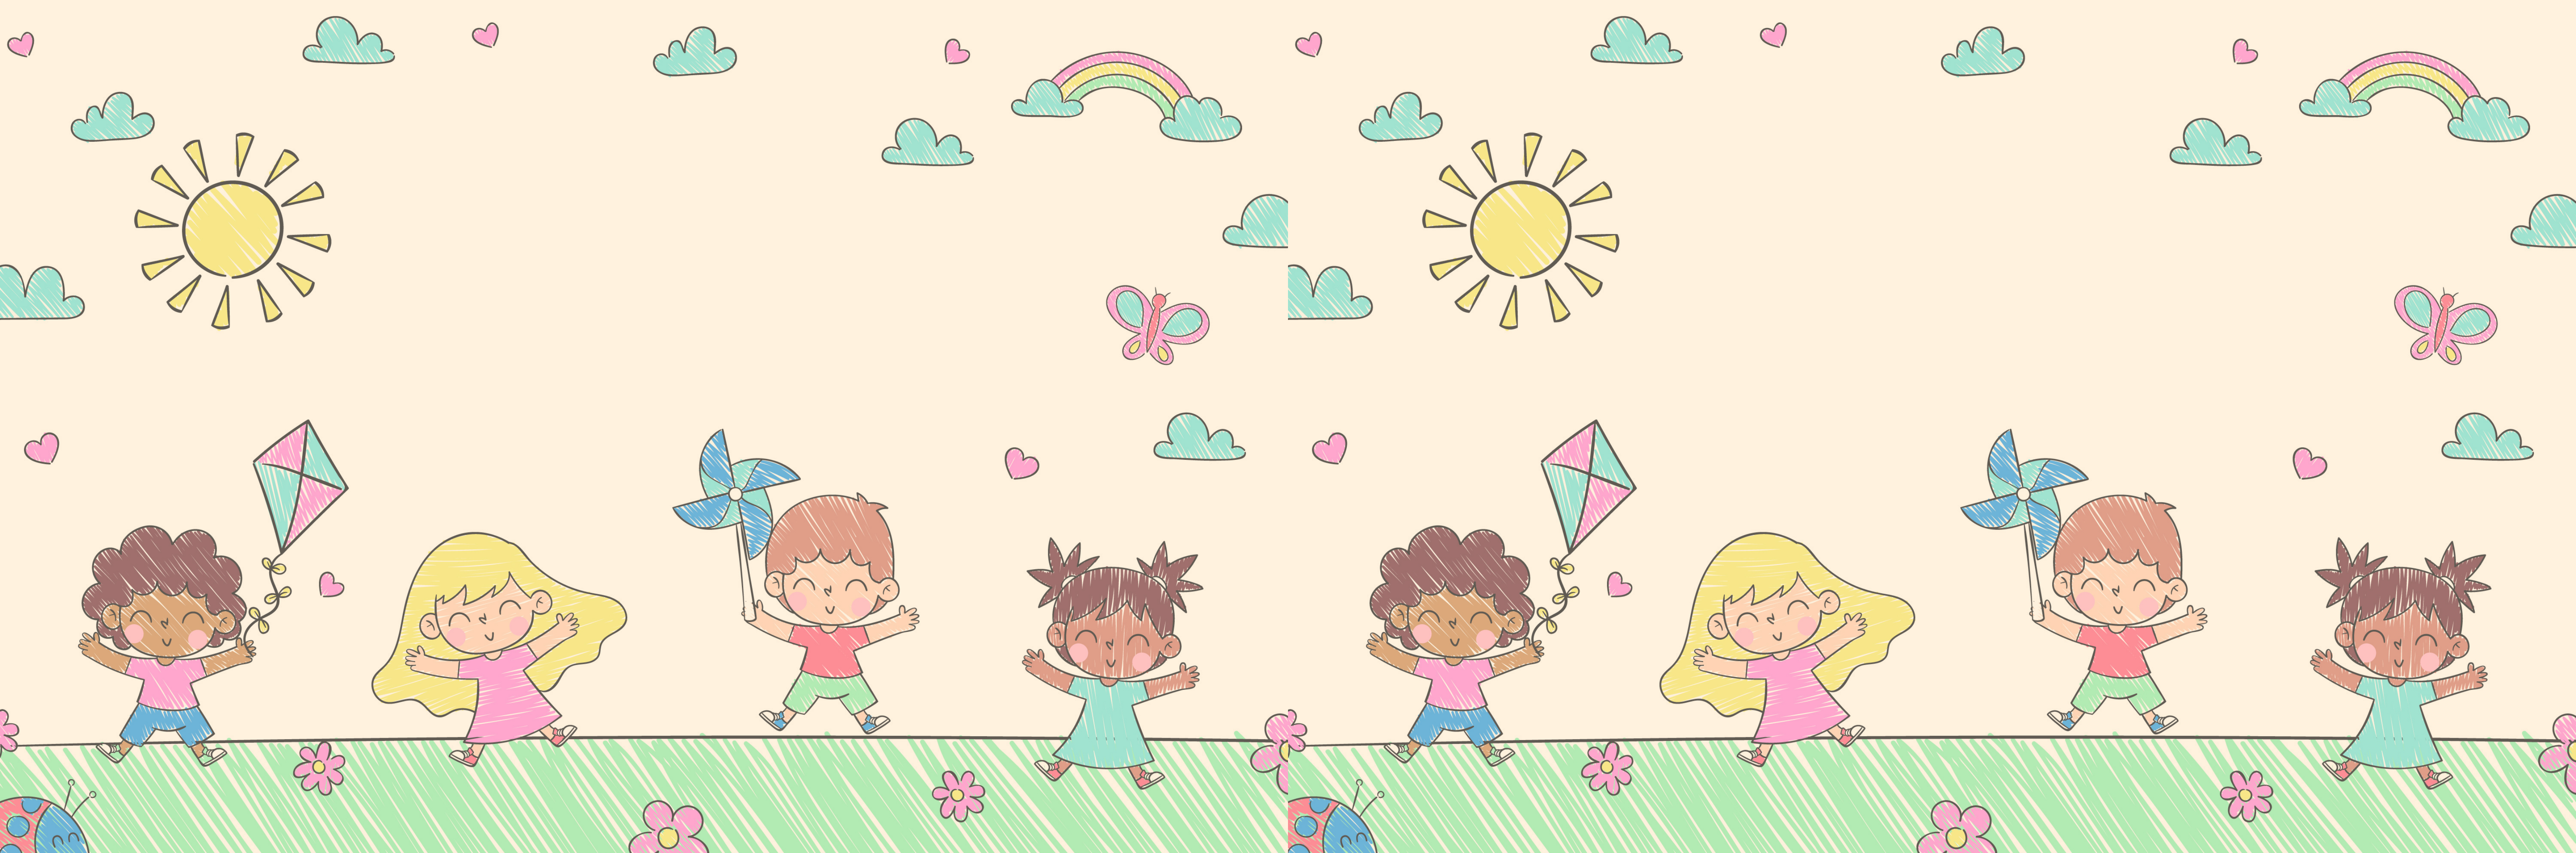

To ensure a joyful and stress-free learning environment, we take pride in offering excellent infrastructure that serves as the cornerstone of effective education. Our classrooms are meticulously maintained, with a class size of approximately 40 students, ensuring a conducive atmosphere for learning.

Our well-equipped science lab, social lab, computer lab creates an environment where curiosity is nurtured, and learning becomes an exciting journey. Our library and auditorium offer children access to a diverse range of books and audio-visual materials to expand their learning.

We offer facilities for indoor games and a spacious ground for outdoor sports, encouraging physical fitness and a spirit of healthy competition. We conduct extracurricular activities, ensuring that every child discovers their passions and talents beyond classroom.

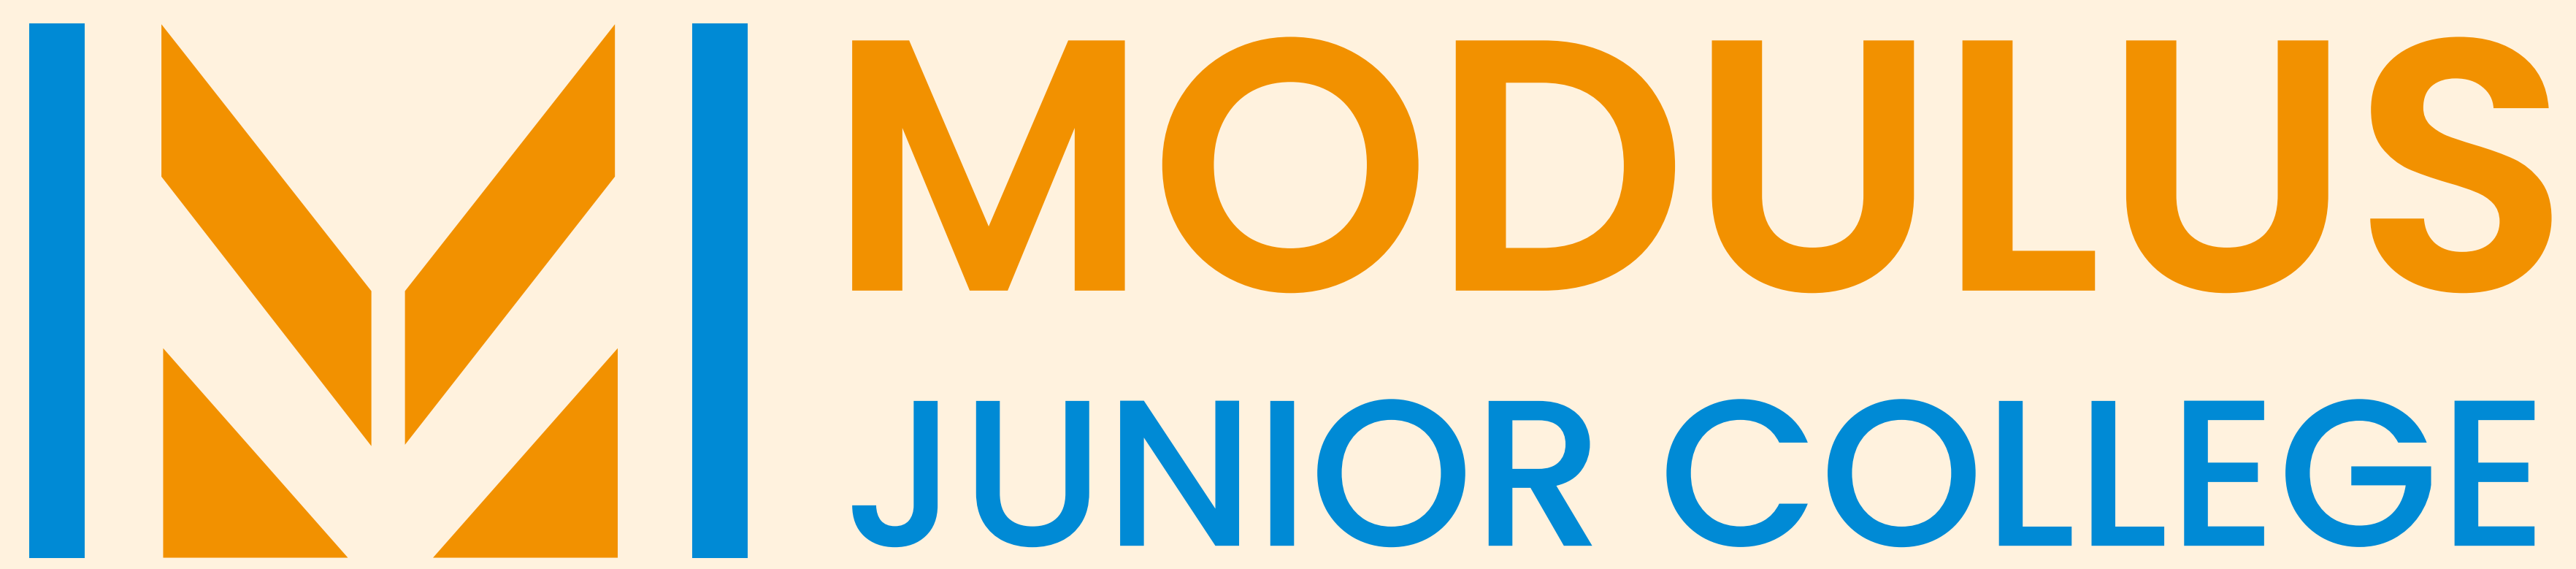

"ॐ सहनाववतु सहनौ भुनक्तु सहवीर्यं करवावहै।  
तेजस्विनावधीतमस्तु मा विद्विषावहै।  
ॐ शान्तिः शान्तिः शान्तिः॥"

"Om Sahana Vavatu Sahanau Bhunaktu Saha  
Viryam Karavavahai  
Tejasvinaavadhitamastu Ma Vidvishaavahai  
Om Shanti Shanti Shanti"

"May We Be Protected Together. May We Be  
Nourished Together.  
May We Work Together With Great Vigor. May Our  
Study Be Enlightening.  
May There Be No Hatred Among Us.  
Om, Peace, Peace, Peace."
